CLINICAL TEACHING/RADIOTHERAPY PLANNING SESSIONS

As you will see from the Course Programme, on Tuesday 11 & Thursday 13 May, there will be clinical teaching sessions with scans and path reports to discuss as in the exam and radiotherapy/CT planning. Both of these sessions will take place at **The Edinburgh Cancer Centre at the Western General Hospital**. A coach will transfer you there and back.

A folder has been supplied for you containing copies of lecture summaries. Should any additional summaries become available throughout the course, you will be given a copy of these. **Or lecture summaries uploaded onto course website?**

EVALUATION FORMS

You will be given a (green) Course Evaluation Form at the start of the week. We would very much appreciate you taking the time to complete this form as you progress through the course. Once you have returned your completed Evaluation Form to the Course Organiser, you will be given a Certificate of Attendance.

SOCIAL EVENT – MONDAY 10 MAY

Weather permitting, we plan to walk over Arthur's Seat to admire the spectacular views of Edinburgh and surrounding areas. This will be followed by an informal evening's entertainment at one of Edinburgh's most famous hostelrys, The Sheep's Heid, where we can enjoy a game of skittles with a bar supper. Remember to bring walking shoes/trainers with you!

VISIT TO SCOTTISH PARLIAMENT & COURSE DINNER – THURSDAY 13 MAY

Coach will take us from Edinburgh Cancer Centre to Scottish Parliament for 17.00 meeting and tour of building.

Please let us know at registration if you will attend the dinner as we must finalise numbers with the caterers.
